Learning Through Empathy:

*"to put yourself in the
shoes of the other, to
understand and feel
what the other is
understanding and
feeling. Empathy
facilitates good
communication"*

Strengthening parent/caregiver - child
relationships and
building stronger, happier children, families
and communities!

A Program for ALL Parents and Caregivers

Anyone who cares for children in their daily
life

- To gather with other parents and caregivers
- To share ideas and experiences
- To learn
- To strive to be the best you can be for your children
- To give your children the support they need to fulfill their potential

3 Dialogues and 8 Guidelines:

1 Emotional

- 1 - How do you show that you love your child?
- 2 - How do you follow and respond to the initiatives of your child?
- 3 - How do you hold an intimate dialogue with your child, with and without words?
- 4 - How do you give praise and approval for what your child does?

2 Comprehension

- 5 - How do you share experiences and focus your child's attention with yours?
- 6 - How do you describe and give meaning to your child's experiences?
- 7 - How do you expand and enrich your child's experiences by making connections through imagination and creativity?

3 Regulation

- 8a - How do you support your child with boundaries to plan step-by-step in order to develop self-control?
- 8b - How do you support your child with scaffolding (gradual support) to encourage their initiatives?
- 8c - How do you use situational regulation and set routines to guide behavior?
- 8d - How do you positively set consequences to develop responsibility and moral understanding?
