Station Adjustment

Station Adjustment workgroup waiting on an update on training for Juvenile Justice Online; Julia has a meeting for an update toward end of this month. Station Adjustment forms have been drafted and reviewed by SAO Civil; will finalize with workgroup when we reconvene.

Updates are needed for the law enforcement resource card to stay current with services in the community.

As requested at the last meeting, the G.O. regarding fines and fees was shared. Some discussion around what was included and interpretations. Village Ordinance tickets do not appear to be part of this. Rachele will look back at the G.O. to get clarity.

IRJEC

IRJEC met at the end of November with new Executive Director of the Commission. Began discussions around what is working and what is not working with the committee. Scheduled to meet in February.

ADB

Julia is meeting with Jamie to identify steps that are needed at this point after meeting in December had to be cancelled.
